M. A. Savage : Walkin' the Dog Denver (Falcon Guides Walking) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walkin' the Dog Denver (Falcon Guides Walking):

1 of 1 people found the following review helpful. Good guide to some of the best places to go with your dog in the Denver Metro AreaBy CustomerGreat guide to some of the best dog parks and places to walk your dog in the denver

metro area. Also gives you some great parks to visit too, with or without your dog. Each walk gives you: General location, Special attractions, Open time, Total Distance, Estimated Time, Services, Restrictions, and contact info for more information. The walk then goes into getting started (which is basically directions for how to get there), an overview of the walk, and specifics for the walk. It also includes maps and pictures. I am in a wheelchair and like to find new places to take my two Catahoula service dogs. This book is a great help for that as the details help me to decide if a trail is accessible or not. --Kym Nippes[...] [...]0 of 0 people found the following review helpful. Deb's Review By Deb I got the book in a timely manner and it was in good condition as promised. I have no complaints, I am very happy with my purchase.

Walkin' the Dog, Denver is the first guide of its kind that focuses only on the best walks for you and your canine friend along the greenbelts, in the foothills, and along little known green corridors in the city and suburbs of Denver. This handy, pocket-size guide features forty walks plus descriptions of dog heavens--places where your pooch can run off-leash. With trip access information, as well as amenities and interesting features in the area of each hike, this guide shows you the most dog-friendly trails that provide shade, water, and an opportunity for your dog to wallow.

From the Back Cover Walkin' the Dog Denver features forty-three of the best dog walks in and around the city. With this handy pocket-size guide, you and your pal can explore Denver's verdant greenbelts plus a few scenic hikes in the suburban foothills. Each pet-friendly walk provides shade or a spot where your dog can take a quick dip. This guide also highlights dog heavens - rare places where your pooch can run happily off-leash. Look inside for: leash laws and park access information; special attractions and services; maps of each walking route; route mileage and detailed directions; and listings of local dog events and much more.
