Robert Todd Felton : Walking Boston: 34 Tours Through Beantown's Cobblestone Streets, Historic Districts, Ivory Towers and Bustling Waterfront before purchasing it in order to gage whether or not it would be worth my time, and all praised Walking Boston: 34 Tours Through Beantown's Cobblestone Streets, Historic Districts, Ivory Towers and Bustling Waterfront:

2 of 2 people found the following review helpful. Reasonable tour suggestions, but over priced for what you get. By Gary S. This is more like a simple trip outline, than a real tour. It tells you which paths to take (streets, etc.) and itemizes what will be there, but doesn't provide much detail that could build enthusiasm before you go. At half the price, I would have given it more stars. 0 of 0 people found the following review helpful. Five Stars By SusanFun little book. Quick shipping. Great deal! 0 of 0 people found the following review helpful. Short walking tours By Kenneth R. Scott My wife and I were asked to lead various short walking trips around Boston. I got this book and it is admirably suited to our purpose.

Boston is a walker's town. It's as clear as the brick red path marking the Freedom Trail, the bright blue signs of the Harborwalk, and the green of the Emerald Necklace series of parks. Boston's nearly 400-year history has led to the

development of hidden neighborhoods, historic sites, and iconic parks that tempt both Bostonians and visitors out onto the sidewalks, paths, and trails lacing this close-knit city. In addition, the Big Dig project, which helped revive downtown and the waterfront by moving Interstate 93 underground, has created an energy and excitement that has driven projects like the Harborwalk and the Rose Fitzgerald Kennedy Greenway. Walking Boston offers the best of Boston's new and old rambles. This portable guide features detailed maps, original photos, and public transportation information for every trip. Route summaries make each walk easy to follow, and a "Points of Interest" section summarizes each walk's highlights.

"Each walk is designed to incorporate the new and old, the natural and man-made. View Boston as you never have before -- on foot."--Jessica Chmara, Boston Forward
