**Robert Todd Felton : Walking Boston: 34 Tours Through Beantown's Cobblestone Streets, Historic Districts, Ivory Towers and New Waterfront** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walking Boston: 34 Tours Through Beantown's Cobblestone Streets, Historic Districts, Ivory Towers and New Waterfront:

12 of 12 people found the following review helpful. Great for guestsBy CustomerI purchased this to loan to guests when they want to explore Boston. The directions are very clear and the commentary is good but not so long as to make it a chore to use as some guide books are so tightly packed with information that you spend all your time reading and not enough time just viewing. I think we will likely use this guide ourselves to explore some parts of the city that we have not done yet even though we have lived in the area for 40 years.8 of 8 people found the following review helpful. Walking BostonBy CadbrooksideThis book is a great resource because it breaks Boston down into neighborhoods, and walkable sightseeing trips. The routes are clearly marked with sights along the way, distance is noted with ease of walking, and parking lots are noted.0 of 0 people found the following review helpful. Five StarsBy Jamie AGreat book!

This guide to 36 walks around Boston features detailed maps for each trip, original photos, and public transportation information for every trip. Route summaries make each walk easy to follow, and a Points of Interest section summarizes each walk's highlights. Each walk includes trivia about architecture, local culture, and the city's rich history, plus tips on where to dine, have a drink, and shop. An award-winning series.

About the Author Robert Todd Felton has written extensively on New England's literary and intellectual history.
