**Gail Donovan, Simon Griffiths, Danie Pout : Walking the Dog In Italy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walking the Dog In Italy:

The team behind Salute! comes together once more to pool their talents in this doggie adventure through Italy. Gail Donovan and photographer Simon Griffiths have scoured cobbled lanes, front gardens, smart streets and winding stairways to capture Italy's most photogenic pups on camera. Each dog has it's own mini-story, set against the backdrop of one of the world's most lively countries.

About the AuthorSimon Griffiths is a leading photographer of food, interiors and gardens, and he has worked closely with Paul Bangay on all his books. Simon's photography appears frequently in the major lifestyle magazines, and in books such as Stephanie Alexander's Cooking Travelling in South-West France. In the field of gardening and landscape design he has collaborated with Rick Eckersley and Lisa Stafford on their new book Outside, and with Susan Irvine on Rose Gardens of Australia and The Garden at Forest Hall.
