Gillian Price : Walking the Italian Lakes (Cicerone Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Walking the Italian Lakes (Cicerone Guides):

This guidebook describes 50 walks around Lakes Como, Iseo, Garda and Maggiore in Northern Italy. The picturesque routes are accessible by public transport from popular centres including Bellagio, Riva, Stresa and Cannero, and range from 2 to 14km in length. There are gentle lakeside strolls, and numerous ridge routes and traverses as well as the

ascent of Monte Baldo, Monte Boletto and other walker's peaks in the region. The clear maps, inspirational photographs and information about accommodation and public transport options help to make this guidebook an ideal companion to exploring the exceptional scenery, views and culture of the Italian Lakes. A basic English-Italian glossary is also included.
