Robert Rubright : Walks and Rambles in and around St. Louis (Walks Rambles Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walks and Rambles in and around St. Louis (Walks Rambles Guides):

0 of 0 people found the following review helpful. A must have for the St. Louis section of the bookshelf.By TrubrightI

might be a bit biased, since the author is my dad, but this is the book I give to STL newcomers. There are many interesting and out of the way walks that even long time residents might not know about.

These gentle hiking books are packed with information about the natural history of the region. They're ideal for birders, nature lovers, and weekend walkers.
