**Editors of Wallpaper Magazine :** Wallpaper\* City Guide Houston (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper\* City Guide Houston (Wallpaper City Guides):

1 of 2 people found the following review helpful. What more could you ask for?By Joy Lyel I love the Wallpaper Guide Series. It's portable, succinct and full of fantastic photographs. Very considerate including a space in back for notes. I like the focus on architecture and the arts. Can't go wrong with one of these when traveling to your next destination.

Wallpaper\* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.
