By Carole Bramlett Even though it was not a current edition it gave a lot of useful information, my son like it.
0 of 0 people found the following review helpful. Great help!
By Tami My 12 year old thought he was too old to go to Disney World. This book was a great resource to prove to him that he's have fun. After the trip he decided that he'd go back anytime. Thanks for the tips!
5 of 9 people found the following review helpful. A good teenagers point of view
By David L. Rosenberg I was able to browse this book in about 15 minutes in a book store. It is not an in depth book and doesn't deal at all with Hotels, touring plans, restaurants, etc. Buy a different book for that information. It went through each park (both Disney and Universal), briefly described the rides that interested the author and rated every ride (from the authors perspective). It did seem to be actually written by a teenager (the daughter of the co-author.) The author held no punches (as opposed to the Birnbaum WDW for kids by kids) and certainly was critical of certain attractions. The perspective on certain rides and attractions was definitely different from mine (being 43) but probably hit the right notes for the intended audience. For a family, with teenagers going to Orlando for the first time, this book is probably worth it, and for the parents to read to plan what thier teenagers will like or not.

A Teen's Guide to the Best Place on Earth
Want to have a great time at Disney World beyond the typical kid's stuff? Walt Disney World 4 Teens by Teens is the first book to give you insider tips on the hottest parks and rides. Inside, you'll find fun hints, like how to get picked to be a stunt double on the Indiana Jones ride, what the best seats are on Countdown to Extinction, and more! From MGM's Tower of Terror to water rides at Universal's Islands of adventure that will leave you dripping, you'll get a teen's perspective on what's hot (and what's not), including:
The coolest and scariest rides
Fun places to eat, shop, and hang out
How not to get trapped in a lame show
Music shows and popular hot spots for teens
Ratings of the most teen-pleasing rides
How to beat the crowds
Get the most for your money
And much more!"
"I thought it would be kind of lame to go on vacation with my family but this book made it really cool!"
Stefanie Albright, age 16
"Even though I've been to Walt Disney World a couple of times, this book showed me lots of secret things to look for like where to get surfing lessons before the park opens!"
John Driggs, age 14
Includes Epcot, MGM Studios, Animal Kingdom, Universal Studios, and the new Islands of Adventure.
