**Rick Perlmutter : Walt Disney World for Lovers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Walt Disney World for Lovers:

3 of 3 people found the following review helpful. Don't be fooled By KLQ In preparation for our January 2003 trip to Disney World, I bought just about every book available (5 in all) to assist me in the planning process, including this

one-- which looked promising. I've discovered that the key to a good Disney Guidebook is in its TIMELINESS. Things are constantly changing at Disney. That being said, it's important to note that while this book says "2002-2003" on the cover, the prices reflect those for 2001 and so do some of the attraction suggestions. While I know it must be challenging trying to keep up with all those changes, the Unofficial Guidebooks and others have done a MUCH better job of keeping pace. I would suggest that the Perlmutter's take it one year at a time in terms of publishing dates in order to deliver the best quality product for their readers. I will say that some of their suggestions are worthwhile, as long as they are still available.

4 of 4 people found the following review helpful. Great info on Disney World and its environs ...By Sharon E. CathcartMy fiance and I purchased this book as part of our honeymoon planning "frenzy." We found its advice to be invaluable in terms of how to manage our time, what to see, etc. There are some sections aimed at couples who have their kids along, but there are also whole sections dedicated to adults-only travel. Another nice feature of this book is the little icons that draw your attention to specific features of an attraction (e.g., a scale of 1-5 hearts indicates the "romantic quotient" of a given activity). The book also had some excellent information in terms of timing one's visit to Orlando area attractions (such as, arrive two hours earlier than opening time, to allow for parking, etc.). Not to be missed by honeymooners!

2 of 3 people found the following review helpful. One of My WDW "Bibles"By ClaybearThis is one of my favorite books on Walt Disney World. It's very thorough on it's descriptions of the parks, resorts (with maps) and WDW restaurants. The Perlmutter's put a personal slant on all their reviews that's valuable for my decisions on what to do at the parks.

Not just for kids anymore, Walt Disney World is also the ultimate adult playground! Luxurious resorts. Live jazz bands. World-class dining. Pampering spas. Big Band dance hall. Golf, tennis, hot tubs, hiking, swimming, biking, and horesback riding. Glorious Florida sunshine. All this and the magic of Disney!
