an Army CPT and have not been to Disney World since I was 8 and was not in the military obviously lol. This will save me so much money and make my trip experience easier with more of a seamless feeling knowing how to plan. Thank you for your service and great book! I read it in two days while deployed. VR, Caleb0 of 0 people found the following review helpful. but has some goodBy golfer1204I follow his web site and disney in general. Nothing really new in this book, but has some good history4 of 5 people found the following review helpful. Very insightfulBy Kindle CustomerThis is not our first trip to Disneyworld, however this book was still very helpful. It explains the different and sometimes complicated choices we have with military and non-restricted discounts. It also goes over upgrades and changes that have occurred in the park allowing me to feel better prepared to help my family make the most of our next family vacation.

Planning a Walt Disney World vacation can be confusing, throw in the complexities of the many varied military discounts and it can become downright perplexing.
