3 of 3 people found the following review helpful. Money well spent By CustomerVery helpful, good tips. Found

history of Shades of Green (SOG) interesting. Learned for the first time that there were good size hotel discounts on Disney properties other than SOG which we had stayed at before are planning a visit to again. This is a nice one-stop reference for rides, restaurants park flow. Drawback on Kindle version is lack of chapter bookmarks but content very good.0 of 0 people found the following review helpful. The good news about this book is that it provides some ...By R. KuhnsOur family has been to Disney World a few times and it has officially become our annual vacation spot. The good news about this book is that it provides some information, that I was not aware of on previous trips. It outlines the process of getting the best ticket deals, how to get them by mail instead of going to a physical MWR location (impossible for us based on distance). It also covers what it means to stay at SOG. I was unaware of all the benefits that SOG offers and I also did not know that SOG is treated in similar fashion to a military post. I also liked that it covered procedures for those with disabilities. WDW has a great access card available for disabilities. This helps us tremendously while we are in the parks. I highly recommend this and any other planning books you are considering for WDW because the trip is much smoother when you plan ahead.1 of 1 people found the following review helpful. This book is fantastic for any military family that is planning a trip ...By Debra thorntonThis book is fantastic for any military family that is planning a trip to the happiest place in the world (at least we think so!) I purchased this book for my daughter and son-in-law, he is in the Air Force. Before I gave it to them I read it cover to cover and found it full of helpful, useful information, tips, etc., for anyone planning a trip there. As often as we have gone as a family, sometimes up to 4 -5 times a year, I found out about events, hotel tips, that I had never known about. This book is wonderful...Thank you!

The 2017 version is out, please search for Walt Disney World For Military Families 2017 Planning a Walt Disney World vacation can be confusing, throw in the complexities of the many varied military discounts and it can become downright perplexing.
