Jay Fenster : Walt Disney World Guide (Open Road's Best of Walt Disney Orlando) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney World Guide (Open Road's Best of Walt Disney Orlando):

1 of 1 people found the following review helpful. Not the best but good for the basicsBy Rita M. McadamsThis book

is essentially a blatantly basic guide to WDW. It's not really in-depth at all with brief attraction, restaurant and such reviews. Still if you're a first timer to WDW this is a good book to get the basics down with, but a bit short for the money it costs. I recommend (and have reviewed) the Unofficial Guide to WDW, although that's not perfect either (4 stars).
