**Brian McDaniel : Walt Disney World: The Full Report: 4th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney World: The Full Report: 4th Edition:

Walt Disney World: The Full Report is a compilation of tips, tricks and information gathered over years of visiting "The Most Magical Place on Earth". The book breaks down every ride, show and attraction for each of the Walt Disney World Resort's theme parks. Unlike other theme park guide books, Walt Disney World: The Full Report is written with a sense of humor, in hopes of "lightening up" the typical travel book. The Full Report informs you without bogging you down with complicated, structured strategies that make you feel as though you are studying for a college entrance exam. In this edition, we welcome a new addition to the WDW: Full Report, Greg McNaughton. Greg is a former Disneyland Cast Member, and he adds his insights and experience on what the Disney parks should have been or could still be. Greg is a co-host for the popular MiceCast podcast as well as the host for Imagineering My Way and At The Main Street Cinema. Greg feels that being part of three podcasts is not enough, he is also part of the Travelears podcast.

About the Author After years of planning vacations to Orlando, for relatives and friends, I realized the information I gave them was appreciated and more importantly - worked! I decided to pass on my experiences, to make your Walt Disney World Resort visit less stressful and more enjoyable.
