**Birnbaum Guides : Walt Disney World: The Official Guide (Turtleback School Library Binding Edition) (Birnbaum Guide 2014)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney World: The Official Guide (Turtleback School Library Binding Edition) (Birnbaum Guide 2014):

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Birnbaum's Walt Disney World , the most respected and well-

known name in travel guides, takes readers to the world's most popular tourist attraction. Since ours is the only guidebook that's official, this book includes the most accurate information on prices, changes, and new attractions for 2014: --As the pixie dust settles on the newly-expanded Fantasyland, Birnbaum describes everything this Magic Kingdom neighborhood has to offer, including the highly-anticipated Seven Dwarfs Mine Train coaster-an E-Ticket attraction for the whole family. --Can't get enough of the Disney characters? We'll help you find them. A great place to start is at the brand-new Pete's Silly Sideshow, where you can mingle with circus stars Minnie Magnifique, Madame Daisy Fortuna, The Great Goofini, and The Astounding Donaldo! --There's no doubt about it: Fastpass really does cut the time spent waiting in line for the most popular theme park attractions. We give the scoop on this free system and list all the attractions that offer this golden opportunity to skip the standby line. --Big doin's at the Grand Floridian resort! The old favorite has new rooms (courtesy of the Disney Vacation Club), a refreshed (and refreshing) state-of-the-art spa, a splashy new Alice In Wonderland-themed ""sprayground,"" and more. Turn to Birnbaum for the full report. --With or without the Disney Dining Plan, you still need to pre-book those meals or risk missing out on your family's favorites. Birnbaum explains the WDW reservation system, along with descriptions of each and every eatery on property. There's also a handy chart detailing all the opportunities there are to dine with Disney characters and a Restaurant Round-up highlighting the best cuisine the World has to offer. --More money-saving coupon offers than ever before, all geared to help you stretch your Walt Disney World vacation dollar. --And a very special Birnbaum exclusive: A brand-new Kingdom Keepers Quest from bestselling author Ridley Pearson.
