Kim Wright Wiley : Walt Disney World with Kids, 2000 before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney World with Kids, 2000:

25 of 26 people found the following review helpful. Disney World with KidsBy Sally J. SappI would absolutely recommend this book to anyone planning to visit Disney World. I received my book just days ago, but have been enjoying it along with other members of my family. But I knew I would love it even before I got it, because, I had read a previous version of the authors Disney World guide about seven years ago. We followed her tips for the Magic

Kingdom, Epcot and MGM and had a marvelous time. Following her tips made our trip a real time to remember-it saved us time, saved us stress and probably saved us money. All I can say is if you tackle Disney World with your kids without reading this book and using its well thought out tips, you will be sorry! Excellent, excellent book.8 of 9 people found the following review helpful. Don't leave home with out itBy A CustomerIf you do one thing before leaving for Disney World - read this book. The advice is excellent from the hotel reviews to the ride recommendations. I took my 3 1/2 year old and followed the author's advice on all rides with the exception of one ... 8 months later he is still mentions how scared he was during it! If you think you can get by with the information that Disney supplies, you can't, they provide no description or age recommendations. Without the book we would definitely have made many more inappropriate decisions. I shared the book with a friend who felt it wasn't really necessary ... she called me from the park to thank me.7 of 7 people found the following review helpful. The Perfect Disney World Guide, especially if you have kids.By S. MillichampThis book is great. There are so many useful tips that make Disney World much easier to travel. We could never have had such a wonderful vacation without this guide book. STRONGLY recommended for people with kids.

With the help of more than 300 families, kid-travel expert Kim Wright Wiley has compiled the ultimate family guide to the Magic Kingdom and other Orlando theme parks. She offers touring plans for families with children of different ages and interests, and rates attractions and rides by their age-related suitability and "scare" factor. Inside you'll find: Money-saving tips, such as the little-known way to save up to 20% at Disney-owned hotels Convenient maps of Walt Disney World and Universal Studios Time-saving tips, such as how to avoid crowds and lines at the park Information about Disney's millennium festivities and the new IllumiNations nighttime pageant Ratings of the most kid-pleasing rides, hotels, and restaurants How to beat the crowds How to get the most for your money Favorite attractions for preteens and teens New! DisneyQuest Universal Studios Islands of Adventure And much more!"Must reading for everyone planning to bring their family."Katie Couric, NBC's Today ShowAbout the AuthorKim Wright Wiley has updated her popular guide to Walt Disney World with Kids for nine consecutive years. She is a contributing editor at Disney Magazine and also writes frequently for Family Fun magazine. She and her children have visited Walt Disney World at least 34 times and still love to go back.

Your Ticket to Getting the Most from Your Family's Trip to Walt Disney World and Other Orlando Theme Parks!About the AuthorKim Wright Wiley is a best selling author who writes frequently on health and fitness issues. Both live in Charlotte, North Carolina.
